

## SEKHUKHUNE District Municipality

### **Mayors response to matric results**

I, the Executive Mayor of Sekhukhune, Cllr Mogobo David Magabe, would like to acknowledge the efforts of the 2009 Matric Class.

I would like to single out all the students who have passed their matric this year. Even though the standard has dropped, their hard work has not gone unnoticed. I am determined that we will see a remarkable improvement in this year's matric results.

To all of those who were not successful this year, I encourage you to work harder. It is never the end of the road as every obstacle in life is a learning curve. This message was also echoed by Basic Education Minister, Mrs. Angie Motshekga, when she stated that there is always a second chance.

I would also like to plead with parents and the community at large to assist pupils who did not make it and provide support for these future leaders of tomorrow.

We as the municipality would like to thank the dedicated teachers and facilitators for the work done in preparing the students. It should be noted that a lot more still needs to be done. As a district we will need to work together to instill a solid work and study ethic to bring these numbers up.

We have a long road ahead of us. Lets get to work.

Thank you

**CLLR MOGOBO DAVID MAGABE,  
EXECUTIVE MAYOR OF GREATER  
SEKHUKHUNE DISTRICT MUNICIPALITY**
