District Executive Mayor to do voluntary work at public health-care facilities in Sekhukhune

The Mayor of Sekhukhune District Municipality (SDM) Cllr Mogobo David Magabe, together and his entourage of Mayors of Local Municipalities and senior officials from the department of health will, tomorrow 01 September 2010, do voluntary work at four district public-health-care centres.

Dilokong, Mecklenburg and St. Ritas are the only hospitals that are still operational in the Sekhukhune District while the others remain closed due to the ongoing public sector labour protest action.

During the visit, the Cllr. Mogobo will conduct an assessment of the impact of the current public sector labour protest action on government's ability to render public health services and to determine possible courses of action on how to mitigate such service delivery disruptions.

The programme commences at 09h00 at Dilokong Hospital. The entourage will thence proceed to Mecklenburg Hospital, on to Ga-Nchabeleng Health-Care Centre and lastly to St. Ritas Hospital
